## Products from Mesotech and meso-cocktails

**mesotech**<sup>®</sup>  
b e a u t y ' s   r e s u l t s  
Scandinavia & Germany

The products from Mesotech and the meso-cocktails are used for both invasive and non-invasive (needle-free) mesotherapy treatments.

At the workshop you will learn the advanced techniques for invasive treatments: manually and with a Leardergun, and needle-free mesotherapy.

### **OPTION TO PARTICIPATE**

If you would like to attend - please contact us regarding your qualifications related to this amazing workshop.

Email: [contact@dermatech-group.com](mailto:contact@dermatech-group.com)

If you wish, you can bring your own models, or contact us and we will find the models for you. The models only pay for material costs.
